real life story

***danelle pettman health
careers***

*May 28th, 2020 -
meeting clinical
psychologists was the
point where i thought
it might be the career
for me the social
interaction of the
role excited me and i
loved the idea of
putting different
psychological theories
into action i had
several voluntary and
paid roles in research
and clinical settings
before i started my
clinical psychology
training'* ***meet madiley
broz psyd
